2. FOREWORD

The 25m Center Fire Pistol and 25m Standard Pistol events are mandatory ISSF events, supported by the ESC. The high level obtained at the last European and World Championships shows the motivation of International shooters for these events.

In the unanimous opinion of many great and well known international competitors, the 25m Center Fire Pistol and 25m Standard Pistol events are attractive and interesting Pistol events of the ISSF, and include all the main principles of sport shooting.

Taking all these observations into consideration, it appears necessary to organise a 25m European Cup Center Fire Pistol event and Standard Pistol event for men.

3. TECHNICAL BASIS

3.1 Creation of new Competitions

The events must comply with the official ISSF Technical and Pistol Rules.
All ESC member federations must be invited to take part in the Cup.

3.2 Realisation of the events

At each one of the 25m European Cup competitions at least four (4) nations and a minimum of twelve (12) shooters for each event must participate.

3.3 Participation

All shooters of ESC Member Federations may participate in the 25m European Cup.

3.4 Walther European Cup Final 25 m Pistol

The Final of the 25m European Cup is organised when all the qualification competitions are completed.

4. PARTICIPATION AND ENTRY FEES

4.1 Participating Shooters

All nations participating in the Walther European Cup 25m Pistol may enter an unlimited number of individual shooters in each qualifying competition.

4.2 Entry Fees

The Entry Fee for each of the Walther European Cup 25m Pistol competitions is 75,- €per shooter and per discipline. For the Final, the Entry Fee is 90,- €per shooter and discipline. The organising federations are obliged to forward 5,- €per shooter and per discipline in qualification competitions and the Final to the ESC.

5. CALENDAR

The Walther European Cup 25 m Pistol, Center Fire and Standard Pistol consists of four (4) qualification competitions (approximately every 5 weeks from April until August). The Final takes place in September. The national federation aiming to organise a Walther European Cup 25m Pistol competition, must submit its application to the ESC Pistol Discipline Group of the Technical Committee at the latest by the end of September of the previous year. When composing the calendar for the Cup, the ESC Pistol Discipline Group of the Technical Committee in conjunction with the organisers will try to avoid overlapping of ISSF World Cups and Championships, CISM Championships etc.

The calendar will be distributed to all ESC member federations and be published at the ESC Web site as early as possible in the current year to enable member federations to participate.

6. ORGANISATION

6.1 Definition

The Walther European Cup 25 m Pistol is conducted by the ESC Pistol Discipline Group of the Technical Committee and they will make the necessary decisions.

6.2 Publicity

The Logo of Walther has to be shown as a banner or a flag in the shooting range and during the award ceremony. The company Carl Walther delivers the necessary material. On the ranking list and at the victory ceremony the logo has to be placed and mentioned as a sponsor.

6.3 Jury members

It is the responsibility of the organising federation to provide national jury members and one (1) jury member from one of the participating nations. The jury members serve on a voluntary basis. For the Final, see point 7.4

6.4 Communication

During the competitions it is the responsibility of the organising federations to publish the results on their websites continually. The official result list must be sent to the Members of the ESC Pistol Discipline Group of the Technical Committee and to the participating federations immediately after the competition. The ESC Pistol Discipline Group of the Technical Committee is responsible for updating the 25m European Cup Final Ranking List and the ESC Web Site.

6.5 Technical meeting

The hosting federations/Organising Committees are obliged to host Technical meetings at each Walther European Cup 25 m Pistol qualification competition and at the Walther European Cup Final 25 m Pistol

7. Walther EUROPEAN CUP FINAL 25 m Pistol

7.1 Specification

The Walther European Cup Final 25m Pistol will take place when the qualification competitions and the ECH / WCH of the season are completed.

All ESC Member Federations have the right to organise the Walther European Cup Final 25m Pistol. The Walther European Cup 25m Pistol organising federations of the current year will have priority.

The ESC Pistol Discipline Group of the Technical Committee in conjunction with the organising federation will decide the dates and location of the Final.

The Final range must have a capacity of a minimum of 20 firing points.

The invitations to participants in the Final are sent by the organising federation of the Final to the federations of the shooters.

7.2 **Conditions for participation**
