### Other questions about the European Cup 300m

Ian Shirra Gibb, GBR makes the request that 60 prone be shot being only at the end at the European Cups. The application was turned down unanimously.

The Chairman Konrad Jäggi would want that there is a so-called Nordic European Cup in future. The nations could alternate for the execution of a competition from year to year. Juha Hirvi, FIN and Mikael Larsson, SWE take this suggestion and will present this to her associations
