

**ESC
YOUTH LEAGUE FINAL
Helsingør / Elsinore Denmark**

2nd - 4th October 2009

APPENDIX

In three weeks the first ESC Youth League Final will take place. The Danish Shooting Union are very proud to host this unique competition in cooperation with the local shooting club Helsingør Salonskytte Forening.

As mentioned in the invitation the local shooting club has arranged an OPEN MATCH together with the Youth League Final. You are all invited to take part in Elsinore "X"-OPEN which has been arranged in a way that all participants in the YLF have the possibility to shoot the competition.

Due the large request of single- and doublerooms it has been necessary to find additional accommodation at the LO-School. The LO-School is an education and conference center and is also situated in walking distance to shooting range. We got very fair prices even the level is a little higher than the Youth Hostel. Hopefully you will understand the situation.
