Object: EYL 2010 – Final

Dear Ghislaine,

Regarding the Final Round of the European Youth League for this year, I would like to propose to organize this Competition in the Shooting Range in Bologna from October the 1<sup>st</sup> to October the 3<sup>rd</sup> 2010; take note that is a fully active and well organized structure, complete with electronic targets. The week before the Italian Final Championships will take place there.

Waiting for your kind reply, I wish you my best regards
