Dear Shooting Friends,

All of the registered teams from the North Region have now sent me the results from the Elimination period and the following teams have qualified for the North Region Qualification Round (please see also the attached result sheet).

According to the EYL Rules (2.2.5) the two teams qualified for the Final from the previous year are automatically entitled to participate at the Regional Qualification Round. For the North Region this means Poland and Sweden for the Rifle competition as well as for the Pistol competition.

A total of five (5) teams – Rifle and Pistol – may compete in the Regional Qualification Round (EYL Rule 3.1), which means that all entered pistol teams may take part.
