

## APPOINTMENT OF JURY MEMBERS EUROPEAN CHAMPIONSHIPS 2010

Malmköping, 9<sup>th</sup> June 2009

*Dear Shooting Friends,*

All ESC Member Federations are invited to nominate Jury members for the European Championships to be held in 2010.

- 10 meter in Meraker/Norway from 7<sup>th</sup> – 14<sup>th</sup> March 2010 (including the qualification for the Youth Olympic Games)
- Shotgun in Kazan/Russia - June 2010 (the dates will be confirmed when the World Cup 2010 dates are known, but the ECH will probably take place in June)

According to the ESC General Regulations each Jury must consist of a Chairman and two to five members (a Chairman and three to seven for Shotgun) including one member from the Organising Federation.

According to the Guidelines for the ESC Technical Committee the Jury Chairman (or one member) must be appointed from the Technical Committee. In the rifle, pistol and running target juries, at least one (1) member of the jury must be a non-ESC-committee member. In the shotgun jury at least two (2) members of the jury must be non-ESC-committee members.

**A maximum of two judges may be nominated for the shotgun discipline and a maximum of five judges may be nominated for the rifle/pistol/running target/classification disciplines from each Member Federation.**

Please inform us on the Application Form if your Federation is prepared to send the nominated judge as an extra Jury Member at your own expense (to gain experience), in case she/he is not selected.

Please download the Application Form from [www.esc-shooting.org](http://www.esc-shooting.org), fill it in and send it to:
