

ESC CHALLENGE 25M PISTOL TRIO (Women /Women Junior)

Description of the format and the competition rules

1. FORMAT

a) General

25m Pistol Trio is a format for competitions between teams. Each Team must consist of three athletes from the same nation and of the same gender who should wear the competition clothing with national colors and identification as per applicable Rules.

In a championship, in each competition, nations may enter a maximum of one (1) team. A minimum of four (4) teams must participate in event.

Each of the three athletes entered in the competition must be registered by the set deadline but may be changed for other athletes registered in the Championship by latest 12:00 the day before the start of the Competition.

Juniors may compete as part of the Women team in case they are not part of the Women Junior team at the same Championship as per art.10.2.7 ESC General Regulations

b) Number of stages

The competition consists of two stages:

- Qualification
- Final

c) Qualification part 1

Each of three athletes will fire three (3) series of five (5) shots in Precision stage and three (3) series of five (5) shots in Rapid stage (7/3). In total ninety (90) shots per Team.

The scores of each team member will be added together and the combined results will be ranked. The eight (8) top-ranked Teams will progress to the Qualification part 2.

d) Qualification part 2

Scores from Qualification part 1 are not carried forward to Qualification part 2. All teams start from zero. Each of three (3) athletes will fire three (3) series of five (5) shots in Rapid stage. In total fifteen (15) shots by each Team member, forty-five (45) shots for the whole Team. The scores of each team member will be added together and combined results will be ranked. The four (4) top-ranked teams will progress to the Medal Matches.

The two (2) top-ranked teams will progress to the Gold Medal Match (GMM) and the third and fourth ranked teams will progress to the Bronze Medal Match (BMM).

e) Medal Matches

Medal Matches take place in the Final Hall.

The Bronze Medal Match will be shot first, at the assigned time, followed by the Gold Medal Match. One team will compete against the other team. They start from zero and make single shots.

The coach of team in Medal match must decide and inform RTS Jury after Qualification part 2 which athletes will shoot on which firing point.

Athletes in Team ranked third/first after Qualification should take positions on firing points B R1 and D. The Team ranked fourth/second after Qualification should take positions on firing points G, R2, I.

Each athlete will fire Series of five (5) shots in Rapid stage on hit and miss basis. Hit zone is 10.2 or higher. In each series the Team with the highest combined number of hits compared against the other Team in the Match will be awarded with 2 points. The first team to score sixteen (16) points or more will be declared the winner of the Match.

In case of a tie where both teams have scored sixteen (16) points, the Match will continue with one (1) additional series fired by all members of each team to decide the tie. If the scores are still tied the teams will continue to shoot additional series on command until the tie is broken.

2. COMPETITION RULES

a) Targets and Ranges

A 25m range must be used.

Qualification part 1 and Qualification part 2 take place in the Qualification range.

Medal Matches take place in the Final Hall. Electronic Scoring Targets for all ranges

b) Scoring at the Qualification range.

Full ring (integer) scoring.

All scores are not carried forward to the next level.

c) Scores and rankings

The scores and rankings of the teams are based on the total scores of their three (3) members.

d) Tied scores

Ties will be broken by applying ISSF Rule 6.15.5.

e) Malfunctions

Malfunctions will be governed according to ISSF Rules. One (1) malfunction per each Team member in each part of Qualification.

2.1 QUALIFICATION PART 1 PROCEDURE

If there are more teams than available firing points, Part 1 is held in 2 Relays. In case of 2 Relays, Relays must be composed in manner that there is approx. same number of teams in each Relay. All Teams must finish Precision stage first and then continue with Rapid stage

Firing points for each Team are allocated randomly by software. Members of each Team shoot next to each other. Each athlete fires independently of their Team member.

Athletes will be called to the line thirteen (13) minutes before the scheduled Start time of the event.

a) Course of fire

Preparation time: three (3) minutes.

Sighting Series: One (1) series of five (5) shots in precision stage. One (1) series of five (5) shots in rapid stage. Each athlete will fire three (3) series of five (5) shots in Precision stage (total forty-five (45) shots per Team). After all Teams finish Precision stage, they will continue with Rapid stage.

Each athlete will fire three (3) series of five (5) shots in Rapid stage (total forty-five (45) shots per Team).

The scores of each team member will be added together and the team results will be ranked. The eight (8) top-ranked Teams will progress to Qualification Part 2.

2.2 QUALIFICATION PART 2 PROCEDURE

There must be at least twenty (20) minutes break between Qualification part 1 and the start of Preparation time of Qualification part 2 to allow for the display of results, any protests and for the RTS Jury to check the targets.

a) Course of fire

Preparation time: three (3) minutes.

Sighting Series: One (1) series of five (5) shots in Rapid stage. Each athlete will fire three (3) series of five (5) shots in Rapid stage (total forty-five (45) shots per Team).

The scores of each team member will be added together and the team results will be ranked. The four (4) top-ranked Teams will progress to the Medal Matches.

2.3 MEDAL MATCHES PROCEDURE

After athletes have been called to the line, they will be allowed two (2) minutes preparation time.

Each series will be fired on command of the CRO, with all athletes firing a series of five (5) shots in Rapid stage.

The procedure for conducting all Matches is the same with appropriate wording used by the CRO in each case.

a) Reporting Time

All twelve (12) athletes who qualify for the Final must report to the Finals Range Preparation Area, with all necessary equipment, at least thirty (30) minutes before the Start Time of the Bronze Medal Match. Each Team may be accompanied by one Coach.

A two (2) hits penalty will be deducted from the score of the first competition series of the Team if one or more Team members do not report on time but reports at least twenty (20) minutes before start of BMM.

If one or more Team members do not report twenty (20) minutes before start of BMM, Team will not be allowed to start and will lose medal match as DNS.

b) Allocation of firing positions

BMM: The Team ranked third after Qualification should take positions on firing points B, R1 and D. The Team ranked fourth after Qualification should take positions on firing points G, R2, I.

GMM: The Team ranked first after Qualification should take positions on firing points B, R1 and D. The Team ranked second after Qualification should take positions on firing points G, R2, I.

c) Equipment set-up

Teams for BMM must be allowed to place their equipment on their allocated firing points at least twenty (20) minutes before the scheduled Start time. Coaches may assist their athletes. All must return to the preparation area not later than fifteen (15) minutes before the Start time.

No bags or transport boxes may be left on the Field of Play.

Teams for the Medal Matches must be ready to walk in eight (8) minutes before the Start time. An assistant must make sure that athletes are assembled in the correct order and must indicate to the CRO that they are ready.

Teams for the Medal Matches will enter the FOP one at a time. As each Team enters the FOP the Announcer will introduce them to the spectators. Athletes must stand in front of their designated firing points, facing the audience, and remain in that position until all have been presented, including the Jury Member in Charge, and the Chief Range Officer. Teams for the GMM will remain in the Preparation area.

d) Scoring for the Medal Matches

Series of five (5) shots in Rapid stage on hit and miss system. Hit zone is 10.2 or higher.

The Team score is determined by the combined result of hits of the three members of the Team.

Points are awarded according to the total team score, as follow:

Highest total: 2 points

Tied scores: 1 point

Lowest total: 0 point

e) Commands of the CRO

“Range is Ready for Medal Match”

When all introductions have been made: **“Take your positions”**.

After one (1) minute for athletes to take their positions:

“Preparation Begins now”.

After 2 minutes: **“End of preparation”**

“Load”

(Only one (1) “LOAD” command is given before the start of the first Sighting series. During the entire Final, athletes may continue to load magazines as required.

After one (1) minute **“Sighting series Ready”** (fifteen (15) seconds pause) **“Attention”** and activate the lights.

After series is completed **“STOP.”** There will be 30s break to change targets to Match

“First/Next series Ready” (fifteen (15) seconds pause) **“Attention”** and activate the lights.

After series is completed **“STOP.”** (There must be 20s break before start of next series sequence).

f) Announcer

An Announcer should make brief comments on the points awarded to each Team and the current ranking as the match progresses.

g) Sequence in the Final

After the end of the BMM, and after those athletes have left the range with their equipment, RTS Jury has checked targets, athletes for the GMM will set up Equipment for GMM. They will return to reporting area and prepare to walk in. They will walk in in the same manner as for BMM.

The winning Team will be declared the Gold Medalists and the runners-up will be declared the Silver Medalists.

h) Time-out

A Coach or athlete may request a “Time-out” by raising a hand whilst the announcements are being made after the completion of a series.

This may be requested once only during the Medal Match. The Coach may approach and speak to his athlete(s) on the firing-line for a maximum time of one (1) minute.

If a "Time-out" is requested by one Team, a Coach of the other Team may also approach and speak to his athlete(s) at the same time. This does not affect the opportunity of the other Team to request their own "Time-out". The time will be controlled by the Jury and CRO.

i) Presentation of Medalists

The Gold and Silver Medalists will be joined on the Field of Play by the Bronze medalists and line up, for official photographs and announcements.

j) National identification, Dress-code

The athletes from each nation are recommended to wear shooting clothes of same design and color decisions.

They must display their national identification on their shooting clothing as follows: The name of the country designated by 3 letters as determined by the IOC on their non-shooting shoulder.

k) Malfunctions in Medal Matches

Malfunctions in Medal Matches will be governed according to ISSF Rules (only one (1) malfunction will be allowed for each Team member during the Medal Match).

l) Penalties

All penalties will be applied according to ISSF rules.

m) Music & Spectator Activity

During the Qualification stages and the Medal Matches, music is allowed.

Enthusiastic audience support is encouraged and is recommended during the Medal Matches.

n) Irregular or disputed matters

Will be decided by the Jury according to ISSF Rules.
