The Preliminary Competition Schedule of the European Championship is attached to this General Information.

The Final Competition Schedule will be distributed after the Final Entry Deadline (30 days before the Official Arrival day).

The latest Schedule updates will be provided at the Technical Meeting.

3. RULES AND REGULATIONS

The European Championship will be conducted according to the ISSF Rules and Regulations "Edition 2017 (Second Print, 2018)". Detailed information is available on the ISSF website www.issf-sports.org

Jury members (Jury of Appeal, Competition Jury, RTS Jury, and Equipment Control Jury) will be designated by the ESC Presidium to supervise the European Championship. Qualified Range Officers / Referees holding applicable ISSF licenses will conduct the competitions.

Rifle / Pistol Equipment

Equipment Control will be conducted according to ISSF Rules using approved, calibrated instruments.

Pre-competition testing is not mandatory, however, athletes are responsible for competing with legal equipment and clothing. All athletes are urged to submit any doubtful equipment and clothing to Equipment Control for checking before the competition. All athletes are subject to being selected for random post-competition testing and will be disqualified if their equipment or clothing is not legal according to ISSF Rules.

Rifle Clothing

All rifle athletes must have ISSF seals with serial numbers on their jackets and trousers. Any rifle jackets or trousers that do not have ISSF seals must be submitted to Equipment Control for inspection and the affixing of a seal before the athlete's first competition. Jackets and trousers that were previously inspected and have an ISSF seal continue to be valid except that athletes with more than one jacket or trousers must report to Equipment Control before their first competition to confirm which jacket and which trousers they will use. All other seal numbers for that athlete will be cancelled. Athletes that wish to replace a registered jacket or trousers with a new clothing item must bring that item to Equipment Control for inspection and a new seal. Previous seals will then be cancelled. Rifle athletes can have only one active jacket and trousers at any time.

Rifle Clothing Post-Competition Testing

If one panel of a rifle jacket or trousers tests 2.9 or lower, the stiffness device must be recalibrated and the panel must be retested. If it fails again, but all other panels pass, the athlete will not be disqualified, but a written warning must be given to the athlete and the ISSF seal must be cut off. The athlete can continue using this clothing for that day in that event. If two or more panels fail, the athlete must be disqualified.

4. PARTICIPATION

Individual Events

ESC Member Federations may enter a maximum of three (3) athletes per European Championship event and up to two (2) additional athletes to shoot "out-of-competition" (called MQS Extra in the ISSF Online Registration Service).

The additional "out-of-competition" athletes will be listed separately according to their results, but without ranking – these results cannot be recognized as World Records.

Mixed Team Events

ESC Member Federations may enter a maximum of two (2) teams consisting of one (1) man and one (1) woman per mixed team event.

Maximum Entry

The maximum number of starts per event is the number of athlete entries that can be accepted for each ESC European Championship event. Range capacity is determined by the available shooting time and the number of available firing points.

If the maximum number of starts is reached during the Final Entry process, a “waiting list” for that event(s) will be established. If cancellations are subsequently received, entries from the waiting list will be entered on a first come, first served basis. ISSF Headquarters and the Organizing Committee will cooperate to determine if additional entries from the waiting list can be accommodated.

ISSF ID Number

All athletes must sign an "Athlete's Declaration" and have an official ISSF ID number issued before participation in the European Championships.

Athletes without an ISSF ID number will not be allowed to participate. ISSF ID numbers can be obtained from the ISSF Headquarters by using the official application form.

Athlete biographies will be distributed and photos will be taken

Quota Places and MQS

Quota Places for the 2020 Olympic Games Tokyo (JPN) will be awarded according to the Qualification System. Detailed information is available on the ISSF website www.issf-sports.org. Results obtained during this ESC Championship will be recognized as MQS for the 2020 OG.
