

Annual Report 2018

A meeting from the 300m European Cup Subcommittee took place in Zagreb, Croatia, during the 300m Lapua European Cup Final.

SIX nations were present during the General Assembly and the Chairman informed them about the news and all changes, including the new time schedule for 2019. Due to the high cost of doping controls, the Entry Fees cost new 140 euro instead of 130 euro per shooters and per discipline, including € 5 to the ESC.

Proposal for a change in the 3x40 competitions: This proposal is not refused, but there is not enough present nations to this meeting to vote. It is decided to take back this discussion to the Lapua European Cup in Thun, SUI in 2019. Before this date, the subcommittee can receive other proposals on behalf of nations. A definitive decision will be taken to the assembly of Châteauroux (300m Lapua European Cup Final 2019).

Scales of points: He is noticed not much time between European championships and finale. It is decided to stop the list of the qualified in points after the Lapua European Cup in Thun. With the possibility of giving "Wild cards" after the European championships.

The Chairman was asking the nations about the approval, and all approved the changes.
